Grade Span: K-12+

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refer to data provided by the CDE.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

The following information is about the safety, cleanliness, and adequacy of school facilities, including the condition of the school grounds, buildings, and restrooms. Additional information can be obtained by contacting the schools principals.

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide a summary statement of the condition of the school facility, as required by Education Code sections 17014, 17032.5, 17070.75(a), and 17089(b).

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Port View Preparatory is a Non-Public School which contracts with public school districts. Results for the students who participate in the state wide assessments are sent directly to the district and we do not have records of scores.

Mathematics (grades 3-8 and 11)	DPC	N/A	DPC	N/A	DPC	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019–2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education Programs (School Year 2019–2020)

Use this space to provide information about Career Technical Education (CTE) programs as Off-site job opportunities are available to students who are sixteen years and older. They are designed to prepare students for the work environment after completing school. Each student is able to carry over their academic and vocational goals to the job sites, such as counting, sorting, proper money usage, and domestic tasks. The students are accompanied by staff who oversee the student's attention and quality of work. Transportation is provided by the school to the various job placement locations. Job placements include Petco, TJ MAXX, and other local stores. Students participate in a variety of vocational training activities including but not limited to, customer service, packaging and mailing service, stocking and inventory service, and janitorial service.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Port View Preparatory is a Non-Public School which contracts with public school districts. Results for the students who participate in the physical fitness test are sent directly to the district and we do not have records of scores.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020–2021)

Parents are always invited to attend Community Based Outings and other events held throughout the year. Additionally, parents are free to schedule observations and/or meetings for clarification or training with school administrators, teachers, and/or service providers. In addition, parents are involved in their student's progress through quarterly progress reporting procedures and IEP meetings.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and

- High school graduation rates

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to prior years.

School Safety Plan (School Year 2020–2021)

Each classroom is equipped with a comprehensive first aid kit which includes bandages, ointments, scissors, and other equipment necessary in an emergency. Fire drills are performed monthly throughout the school year. Evacuation maps are posted in every classroom and throughout the school. All individuals on campus during a fire drill, including visitors, are asked to meet outside in the staff parking lot where an attendance check is

done by each classroom teacher. In addition to classroom first aid kits, there are emergency backpacks available to take off campus. Each transportation vehicle has a first aid kit and cell phone in case of an emergency when transporting staff and students.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Given the needs and unique strengths and challenges of our students, all class sizes are no larger than 12 students. There are 12 students per 1 teacher. In addition, students may be in a 1:1, 1:2, or 1:3 teacher to student ratio depending on their individual needs as outlined in their IEP.

Types of Services Funded (Fiscal Year 2019–2020)

Each classroom has one credentialed teacher and 6-12 Classroom Support Providers/Classroom Support Supervisors depending on each students' needs. Throughout the school day, various goals which are predetermined in each students Individual Education Plan (IEP), are worked on by the classroom staff. Some of these goals include matching, mathematics, reading comprehension, and social skills. Outside of academics, other services are provided such as Occupational Therapy and Speech & Language Therapy if stated in the IEP. Community Based Instruction's (CBI) are provided at least once a week for students to experience learning outside of the classroom. It is also a great opportunity for the students to enjoy new experiences and to learn about and participate in the community around them. Vocational Training is available to students in the Transitional classroom, age 16 and older. Vocational Training allows students to apply the vocational skills learned in the classroom in a variety of different settings. Successful application or mastery of the application of these skills in community settings allows for students to integrate into the community as a contributing member and to train for future employment. Finally, monthly assemblies and elective courses are provided for each student. Assemblies occur once per month and each student participates.
