Principal: Edward Miguel, EdD, BCBA \& Melaura Tomaino, PhD, BCBA
Grade Span: K-12+
By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.
$>$ For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
$>$ For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
$>$ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Throughout this document the letters DPL refer to data provided by the LEA, and the letters DPC refer to data provided by the CDE.

Table 3: School Description and Mission Statement (School Year 2023-24)
Port View Preparatory is a collaborative educational community that caters to the individual needs of students with disabilities incorporating evidenced-based practices to ensure, above all, personal and educational growth.

We believe that our students are entitled to an education that allows them to achieve their goals and to reach the highest level of success and fulfillment that will allow for a high quality of life. We believe that every individual has the ability to contribute and serve his or her community. We know that every student is unique and important in his or her own way, therefore, all of our students shall receive an individualized, personalized education that they will take with them when they leave PVP and use to assist them in contributing to and assimilating into their community.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Table 6: Teacher Preparation and Placement (School Year 2020-21)

| Authorization/ Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessment [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAA for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAA for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAA for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.
Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Table 20: Career Technical Education (CTE) Programs (School Year 2022-23)

Off-site job opportunities are available to students who are sixteen years and older. They are designed to prepare students for the work environment after completing school. Each student is able to carry over their academic and vocational goals to the job sites, such as counting, sorting, proper money usage, and domestic tasks. The students are accompanied by staff who oversee the student's attention and quality of work. Transportation is provided by the school to the various job placement locations. Job placements have included Petco, TJ MAXX, and other local community stores. Students participate in a variety of vocational training activities including, but not limited to, customer service, packaging and mailing service, stocking and inventory service, and janitorial service.

## State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

Table 24: Opportunities for Parental Involvement (School Year 2023-24)
Parents are always invited to attend Community Based Outings and other events held throughout the year. Additionally, parents are free to schedule observations and/or meetings for clarification or training with school administrators, teachers, and/or service providers. In addition, parents are involved in their child's progress through quarterly progress reporting procedures and IEP meetings.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Table 25: Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Table 30: School Safety Plan (School Year 2023-24)
Each classroom is equipped with a comprehensive first aid kit which includes bandages, ointments, scissors, and other equipment necessary in an emergency. Fire drills are preformed monthly throughout the year. Evacuation maps are posted in every classroom and throughout the school. All individuals on campus during a fire drill, including visitors, are asked to meet outside in the staff parking lot where an attendance check is done by each classroom teacher. In addition to the classroom first aid kits, there are emergency backpacks available to take off campus. Each transportation vehicle has a first aid kit and cell phone in case of an emergency when transporting staff and students.

## D. Other SARC Information

## Table 40: Types of Services Funded (Fiscal Year 2022-23

Each classroom has one credentialed teacher and 6-12 Classroom Support Providers/Classroom Support Supervisors depending on each students' needs. Throughout the school day, various goals which are predetermined in each students Individual Education Plan (IEP), are worked on by the classroom staff. Some of these goals include matching, mathematics, reading comprehension, and social skills. Outside of academics, other services are provided such as Occupational Therapy and Speech \& Language Therapy if stated in the IEP. Community Based Instruction's (CBI) are provided at least once a week for students to experience learning outside of the classroom. It is also a great opportunity for the students to enjoy new experiences and to learn about and participate in the community around them. Vocational Training is available to students in the Transitional classroom, age 16 and older. Vocational Training allows students to apply the vocational skills learned in the classroom in a variety of different settings. Successful application or mastery of the application of these skills in community settings allows for students to integrate into the community as a contributing member and to train for future employment. Finally, monthly assemblies and elective courses are provided for each student. Assemblies occur once per month and each student participates.
